Master Practitioner, Part 1 of 6: Business Organizations

page 1

Meet the expert: Business Analysis Excellence Pty Ltd is a global provider of Business Analysis training courses recognized and endorsed by the International Institute of Business Analysis (IIBA) and the International Requirements Engineering Board (IREB). Established in Melbourne, Australia, in 2012, their team of hands-on CBAP qualified Business Analysts is dedicated to helping others achieve great success and now serve clients from around the globe.

Prerequisites: This course is best suited for individuals with 2 years or more experience within business, business analysis, or a project/reporting analyst capacity. This course assumes that you are familiar with the BABOK® guide and its associated principles, but is not required.

Runtime: 14:38

Course description: When exploring what it means to be a business analyst, it's vital to have a good sense of business knowledge in order to perform effectively within a business, industry, organization, solution, and methodology. Take a closer look at how business knowledge enables the business analyst to understand the overarching concepts that govern the structure, benefits, and value of the situation as it relates to a change or need.
