Digital Publishing Suite, Part 1: Intro

Meet the expert: Our Creative Design courses are presented by experts from Wiley Publishing. Wiley is a global provider of knowledge and knowledge-enabled services that improve outcomes in areas of research, professional practice, and education. They are the publisher of award-winning journals, encyclopedias, books, and online products and services.

Prerequisites: This course assumes familiarity with Adobe Digital Publishing Suite. This course is part of a 3 part learning series. The courses should be taken in the following order, Adobe Digital Publishing Suite: Introduction; Adobe Digital Publishing Suite: Interactive Folios; and Adobe Digital Publishing Suite: Publishing.

Runtime: 01:08:28

Course description: Master the Adobe Digital Publishing Suite (DPS) in this 3 part learning series, Adobe Digital Publishing Suite lets you create engaging apps that work on all leading devices and platforms —Windows, Android, or Apple. Navigate the DPS interface, work with the Folio Builder panel to create a folio and add articles. Add engaging interactivity with audio, video, scrolling frames, and pan and zoom overlays. Use the Folio Producer to edit a folio, enter metadata, and export for publishing.

Course outline:
