Course description: In this 3 part learning series you'll be introduced to creating a Fashion and Glamour shoot. Michael Corsentino will show you how to setup up the shoot and what items you need to consider. You'll see what camera equipment he uses, how to use the location to your advantage. You'll see some of the techniques he uses for lighting and balancing indoor and outdoor settings. You'll see how to use props, gels for lights and other tricks. Then to close the course you'll see all the post shoot processing Michael does to get the best photo possible.
