**Course description:** Adobe Photoshop Lightroom has emerged as the leading image management application, and Lightroom 5 gives digital photographers and creative professionals the power to view, edit, and manage huge collections of digital photos with the click of a button. Now, in this 9 part learning series you can learn the ins and outs of maximizing Lightroom 5 – from navigating the interface and importing images to automating your organization process and beyond – with Lightroom 5 Essentials. Pull your images into Lightroom and customize your organization options for your needs. Work with RAW and JPG formats and export your images to other programs. Add Plug-Ins and take advantage of Lightroom's editing features. Solve common Lightroom challenges.
